
my name means nothing to some people.

but to those who know me, it means hope.

i used to love making crayon-drawn hand turkeys and cutting pumpkins out of construction paper.

i'm an art director and web designer

it's funny when guys don't want to have a conversation with you because they think you're smarter than them.

it means hope.

the usual reaction is that people think
my middle name is spanish for nothing.
but actually, it's serbian, and it really means hope.
